 Flash Point: 36°C.
 Flammable: No.

Biodegradability: Yes.
 Shelf life: 12 month.
 Safety measures: consult the Safety Data Sheet.

APPLICATION AND USE

- BREEZE is recommended for use in toilets, wash rooms, disposals, garbage cans, pet beds and litter boxes, mop buckets and automatic scrubbers. It is a highly effective deodorizer in carpet cleaning shampoo and can also be used in laundries to remove offensive odors from clothing. Very effective to stop odors caused by: urine, smoke, pets, mildew, vomit, garbage, beverage smell, musty odors, etc.
- General Use:
 A few drops in toilets, garbage cans, air conditioning filters and other enclosed areas eliminates malodors and leaves a refreshing aroma.
- Used Cars: Dilute one part of BREEZE with one part of water and spray interior of older cars to eliminate musty odors and beverage smells.
- Carpets: Add 16 ml per liter of shampoo solution to eliminate odors associated with urine, vomit, smoke and mildew.
- Nursing Homes and Hospitals: Two drops in bed pans, portable toilets, and drainage bottles will eliminate malodors.
- Laundry Rooms: A small amount of BREEZE added to the wash water deodorizes a large load of laundry.
- Mop Buckets or Automatic Scrubbers: 8 ml per liter of scrub water will eliminate odors.
 NOTE: If the dilution is more than 1:1, do not store the diluted version longer than 2 days.
