MAGIC PRO WIPES

General Information

MAGIC PRO WIPES are the go to product for every driver and mechanic. These modern and most importantly comfortable cleaning wipes can be used for a wide range of applications. They are safe for the use on tools, machines, engine parts as well as materials like metal, plastics and ceramics. Due to their special formulation including vitamin E

and aloe vera, the wipes are skin-friendly and can also be used for cleaning hands.

MAGIC PRO WIPES are lint-free and wipe-proof polypropylene wipes soaked in a powerful cleaning fluid. The active surface structure makes it easy to remove oil, grease, paint, resin, adhesives and many more, even without soap and water.
