- For daily cleaning of glass and plastic surfaces
- Immediate cleaning effect
- Stain-free after drying
- No rinsing is required after use
- Does not damage chrome fittings
- Environmentally friendly

SANCLEAN

General Information

The SANCLEAN citric acid sanitary cleaner instantly removes limescale stains and soap residue from faucets and chrome fittings found in wet rooms. SANCLEAN dries without stains or residue,

therefore it is not necessary to rinse the sanitary ware with clean water after use. SANCLEAN is also suitable for easy and daily cleaning of tiles, mirrors, glass tubs and plastic shower enclosures.
