## CONCENTRATED ALKALINE DECARBONIZING DETERGENT FOR ULTRASONIC

- Decarbonizer and degreaser
- Waterbased alkaline cleaner
- Safe on aluminium, steel, copper and their alloys
- Quick cleaning

### Notice

All information including images are given with the greatest care. Still, it is appropriate to users regardless of the test the suitability of each product for their own purposes. Tech-Masters is not liable for the completeness and accuracy of information and refuses warranty for your specific use. The guarantee, which Tech-Masters products provide, relates only to the standard conditions of sale of this product. In no case Tech-Masters can be held responsible for incidental damages, or damages for improper use or sale of the product to another customer.

# ULTRA CLEANER

## General Information

ULTRA CLEANER is a water based alkaline decarbonizer for ultrasonic machines. It is developed to remove carbon deposits, engine varnish, heavy soils as found in internal combustion engine.

ULTRA CLEANER does not contain chlorinated solvents,

phenolic bodies, amines or chromates which allows the use in waterbased systems.

ULTRA CLEANER is able to remove also silicone greases and is safe for the use on aluminium, steel, copper and their alloys.

## Technical Information

Form: liquid  
 Colour: clear/yellowish  
 Odour: mild

pH value: 12  
 Flash point: 93 °C  
 Relative density: 1.2 g/ml  
 Solubility in water: soluble

## Application and Use

- USE:
    - for maintenance or overhaul of petrol or diesel engines
    - can also be used for cleaning of accessories such as clutch parts, gearbox parts, carburetors, pistons, valves, radiators, etc.
    - removes contaminations like oil, grease, carbon, engine varnish, soot, etc.
  - APPLICATION:
    - Most applications require 15% of ULTRA CLEANER solution
    - For degreasing only, 6% of the solution are enough
    - Recommended working temperature is 80°C
    - Contact time depends on the amount and kind of contamination
    - If possible, high-pressure rinsing is recommended
    - After rinsing, there will be NO rust protection.
- For possible and right corrosion protector, please ask our sales person.
